No. 106

The Central Epidemic Command Center (CECC) announced today that strict border control measures will continue to be implemented during Taiwan's nationwide Level 3 epidemic alert. In accordance with these measures, entry to Taiwan has been suspended for foreign nationals not holding a valid R.O.C.(Taiwan) Resident Certificate. Exceptions are being considered on a case-by-case basis for emergencies and on humanitarian grounds.

In line with this anti-pandemic policy, R.O.C.(Taiwan) overseas missions are halting the processing of visa applications during the nationwide Level 3 epidemic alert. Entry has also been suspended for persons holding a valid visitor visa or resident visa. Foreign nationals requiring entry to Taiwan for emergencies or on humanitarian grounds, such as attending a funeral or visiting a critically ill family member, must receive special permission from the CECC before applying for a special entry permit visa from an R.O.C.(Taiwan) mission.

The above-mentioned measures may be adjusted by the CECC at any time in accordance with the status of the pandemic and associated operations. (E)

Please refer to Taiwan Centers for Disease Control's website for detailed information regarding quarantine. <https://www.cdc.gov/hot/>

The aforementioned entry restrictions are subject to change depending on the development of the COVID-19 outbreak. Changes will be announced by the CECC. Latest regulations can be found at: <https://www.boca.gov.tw/cp-158-4342-a78b4-2.html>
