

ISEP Recommended Course Conversions
for Summer Program at
Università Cattolica del Sacro Cuore (UNICATT)

Syllabi provided in the links below

Please note, it is up to home university discretion to assign transfer credit once courses are completed by students. ISEP, nor UNICATT has the ability to assign course conversions. The US course names provided below are simply recommendations to assist students and coordinators in lining up their courses abroad with their home university's degree plan.

Department	UNICATT Course Name	US Course Names
Public Health	Global Health and Epidemiology	<ul style="list-style-type: none">• Public Health Epidemiology• International Health Epidemiology
Public Health	Health Policy and Management for Universal Coverage	<ul style="list-style-type: none">• Seminar in Public Health: Health Management and Policy• Strategic Management of Healthcare Organizations• Health Policy And Management
